

# 20' x 20' EV2-LL17 Graphic Options

\$20,600 Turnkey Rental Price

## All Trussworks Rentals include:

Delivery , Setup, Dismantle and Removal

### Graphics Materials

All Trussworks graphics are produced using the finest materials and techniques available. This provides you with a very durable reuseable graphic that will look great show after show!

Our headers, beam covers and counter graphics are laminated lamda prints that are applied using magnetic tape for header and beam covers, velcro for freestanding counters.

Our wall panels and large header graphics are direct print on sintra or fabric installed using Trussworks banner clip system.

### Graphics Package A - \$2,471

Package A is the basics, just the perimeter, the profile cut header and both sides of the front mural panel. The rest of the walls are sintra in your choice of black, white or gray.
